

Hit the Ground Running!

A Demo Case for High & Low

by Rocky Helton

v3.1 - February 16, 2024

SUMMARY

Hit the Ground Running is a demonstration case with some experimental evidence collection mechanics and some rules that are not finalized and may or may not appear in High & Low.

REQUIREMENTS

You should use the special case log pdf form while playing this case. This is not a final case log and was designed specifically for this case. (Thanks, Dispaminite)
